THIS IS UNEVALUATED INFORMATION

1. There are rumors to the effect that new barracks are being constructed at Vogelsang and Hammelspring. The project is as large as that at Altenhof (Werbhlinsee).<sup>1</sup>
2. The rumors indicate that the Russian units from the barracks in Tramberstrasse, Bernauer Heerstrasse and Freienwalderstrasse in Eberswalde have already been transferred to Vogelsang and Hammelspring. The barracks which have thus been evacuated are reserved for Volkspolizei units.<sup>2</sup>

- 25X1

1.  Comment: Very large barrack developments are under construction at Altenhof, but no troops have so far been reported there.

- 25X1

2.  Comment: Expansion of the quarters at the Templin training grounds have been reported earlier. It is not impossible that units of the 4th Guards Mechanized Army will eventually be permanently quartered there.
